

Surfrider Foundation MN-Superior Chapter: Make a Difference for the Environment!

The Surfrider Foundation is a non-profit grassroots organization dedicated to the protection and enjoyment of our world's oceans, waves, beaches, and shorelines. Founded in 1984, it now maintains more than 50,000 members and 80 chapters worldwide. It is only through our supporters that the Surfrider Foundation can fight the battles that threaten our water resources and shorelines. When you donate, join, or renew your membership, you are helping the Surfrider Foundation confront water pollution, beach access, beach loss, and other serious environmental concerns.
